Is now compulsory for all companies doing business with the U.S. Government valued over \$30,000 to register on a website called "SAM – System for Award Management" at [www.sam.gov](http://www.sam.gov). The website compiles standard information such as a company's legal name, street address, contact information, and the type of goods and services it offers. To register in SAM, a DUNS number and an NCAGE code are required. If you do not have these numbers, they must be obtained before registering. There is no cost involved, either for obtaining the numbers, or for registering in SAM. Interested parties are strongly encouraged to register their business as soon as possible to avoid any delay in finalizing an award.

Please note that the RFQ documentation is not yet ready to be issued. Interested parties should contact GSO Procurement at [londonproc@state.gov](mailto:londonproc@state.gov), referencing ID #19UK5622Q0007, and request to receive a copy of the RFQ package when it is issued.
